### Miss Maud set to join the circus!

Most kids dream of going off with the circus. And for some that dream is real.

Standing in line to join the circus – at least for one fabulous afternoon - is WA's own Miss Maud who along with her pastry chefs will join the circus and provide some Perth magic for the children from the world-renowned Cirque du Soleil's Kooza this Sunday.

Every Sunday is Family Day for the children of the Cirque performers with special activities organised for the kids who range in age from two to teenagers.

This Sunday afternoon May 4 the Cirque kids will have the chance to have some fun, clown around and test their creativity in making amazing decorated masterpieces of cupcakes, gingerbread men and tortes in Miss Maud's specially set up kids' kitchen at the Pier Street restaurant.

Miss Maud and her pastry chefs will help the Cirque children learn the ropes of decorating and provide a delicious way for them to share the afternoon with their families and remember their time in Perth through the magic of Miss Maud. **(ends)**
